NEW PALTZ CENTRAL SCHOOL DISTRICT
LENAPE ELEMENTARY SCHOOL - AMPHITHEATER PROJECT

THE NEW PALTZ AMPHITHEATRE PROJECT AT LENAPE

You and your family can now become a permanent part of this beautiful addition to our local landscape...through the purchase of an engraved tribute brick! The proceeds from each purchased brick will go directly toward the project's construction costs. A tribute brick is a great way to honor someone special, commemorate your children's school years, or simply celebrate your family. Each brick can be engraved with up to three lines, fifteen characters per line (including spaces). Engravings might begin with "In Memory Of," "Dedicated To," "In Honor Of," etc. Due to school district policy, we can only accept personal or family names on tribute bricks; no business names will be permitted. Bricks are Eco-Priora Unilock pavers in granite color. These bricks will not only pave the walkways and aisles of the amphitheatre; they'll signify the generosity of our community that helped make the New Paltz Amphitheatre vision a reality. You may order a brick on our website:www.NewPaltzAmp.org or if you would like to pay by check, checks can be made out to the Duzine/Lenape PTA with "Brick" in the memo mailed to:
